SHIRI MAIMON

SHIRI MAIMON and SHIMON BUSKILA

One of the most surprising duet partnerships in Israel's recent memory, the more than 150 live performances of Shiri Maimon and Shimon Buskila have been a pop revolution. The R&B/pop styling of Maimon and the Mizrahi rock/pop of Buskila fuse seamlessly and both have such strong voices that the result is truly remarkable.

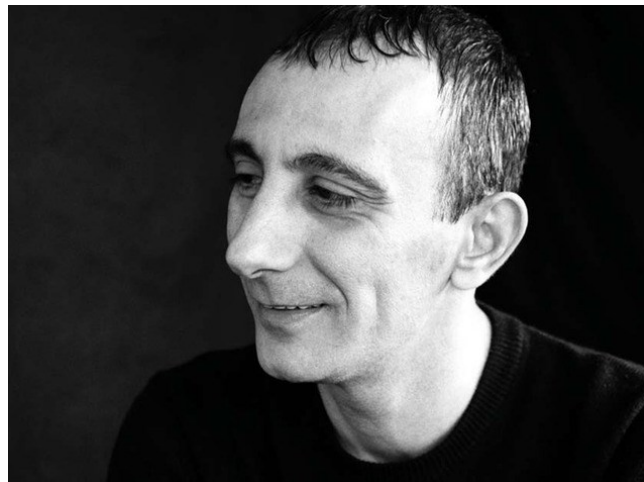

The connection between these two large voices was a surprise coincidence . Shiri asked Shimon to compose a song for her, and they developed an immediate connection. Their collaboration resulted in a versatile and harmonic concert with an emotional and authentic feel. The Shiri Maimon and Shimon Buskila concert is based on both repertoires which are performed together, and in addition a combination of new songs which were written especially for this concert. The show contains a cast of six phenomenal musicians which provide a variety of acoustic, ethnic, percussion sounds all under the direction of Amir Harel.

Shiri Maimon rose to fame when she finished second in Israel's "A Star is Born" TV Show, which is similar to the "American Idol" in the United States. She was one of the few artists to be signed to a recording contract by Helicon Records. In 2005, Shiri represented Israel in the Eurovision and placed 4th. Her song for the contest was "Hasheket Shenishar" which is included in her first album that was released in 2005.

Shimon Buskila, is one of Israel's most unique singer, songwriter and composer. He began his music career as a drummer in a local band,.A few years later he started playing the guitar and after his military service he founded the band "Sahara" which released two albums "Sahara" and " A Day Will Come". Buskila has performed and composed with some of Israeli's lions such as Shlomo Artzi, The Idan Raichel Project, Miri Mesika, Sarit Hadad, Kobi Peretz, Lior Narkis and Shiri Maimon.
